Additional Charges and Instructions

- Branch extras: The booking amount does not include additional equipment or services purchased at the branch counter, such as additional fuel, child seats, or other services.
- Additional fees while driving: The booking amount also does not include any other fees or fines incurred during the rental process. Such fees or fines include but are not limited to road or bridge toll fees, speeding tickets, parking fines, traffic fines, or city congestion charges. If additional fees, such as fines or toll fees, are incurred during the rental process, you may need to pay administration fees to the rental company in addition to the basic fees.
- If you plan to drive into other regions, please inform branch staff and pay any corresponding fees. Otherwise, you may not be eligible for cross-regional driving and fines may be incurred. If you need to view specific cross-border/inter-island/interstate policies, please view the relevant travel restrictions section on your booking details page.
- Fee types: In order to help you compare fees, we will use standardized names for the different fee types. Names for fee types used by the rental company may vary slightly.
